Subject: Proxy for meeting 01/10/05 in Orlando

Dear Sirs, Namaste

Firstly let me take this opportunity to extend our congratulations on this bold, courage's and necessary initiative. At the same time our best wishes for a successful meeting.

We are doing our best to attend this meeting but in the unlikely event we cannot make it, please be advised that Mr. Dilip Daya of Atlanta will represent The Matiya Partidar Samaj (Canada).

We in Canada fully support your initiative of creating a worldwide body subject to committing to funds. All funding issues will have to be taken to our members for approval.

Please note all meals served are totally vegetarian and free of alcoholic beverages. This is our preference, although this is not true for our annual picnic which we condone.

We wish you all the best for the meeting.
Take Care and GOD BLESS.

Should you require any additional information, please do not hesitate to contact me.

Thanking You
Yours Sincerely

H.H.Govind
